

Appendix A

Chapters with Revisions

This appendix contains the chapters requiring the most substantive revisions: Chapter 2 “Description of Project Alternatives,” Chapter 6 “Aquatic Resources,” and the impact and mitigation measure sections of Chapter 9 “Recreation.” All other changes to the document are provided in the “Other Changes” section of this appendix. Only the pages with changes are reproduced in the “Other Changes” section.

Revisions are formatted in revision fashion: ~~strikeouts~~ indicate removed text and underlines indicate additional text.
